STEPS TO AN AMAZING DAY AT UNIVERSAL'S VOLCANO BAY™

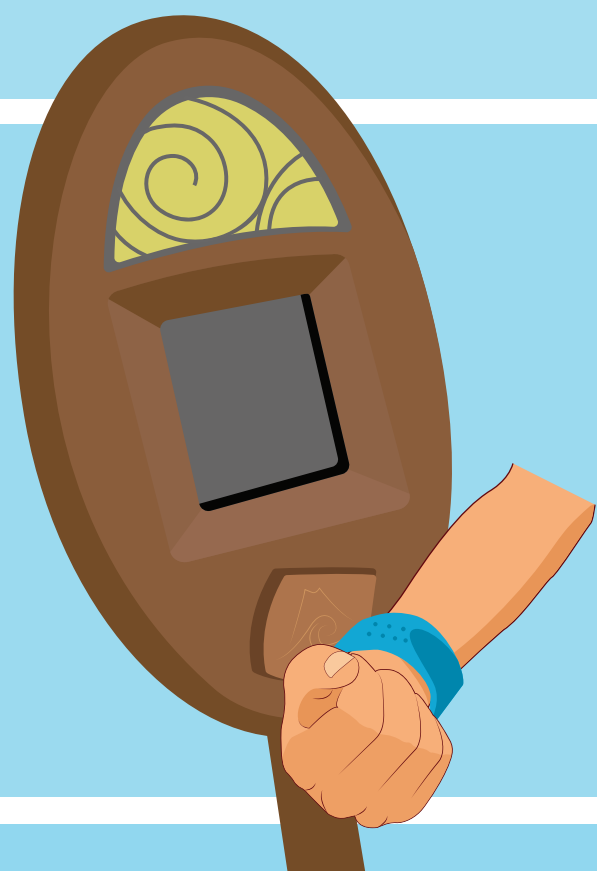

PUT YOUR TAPUTAPU™ ON YOUR WRIST.

You'll wear it to ride the attractions and to activate interactive surprises.

VIRTUAL LINE™ IS THE NEW WAY TO WAIT.

Unlike other parks, at Volcano Bay™ each attraction's Virtual Line™ lets you float, swim, splash, eat, shop or just relax while your TapuTapu counts down to your return time.

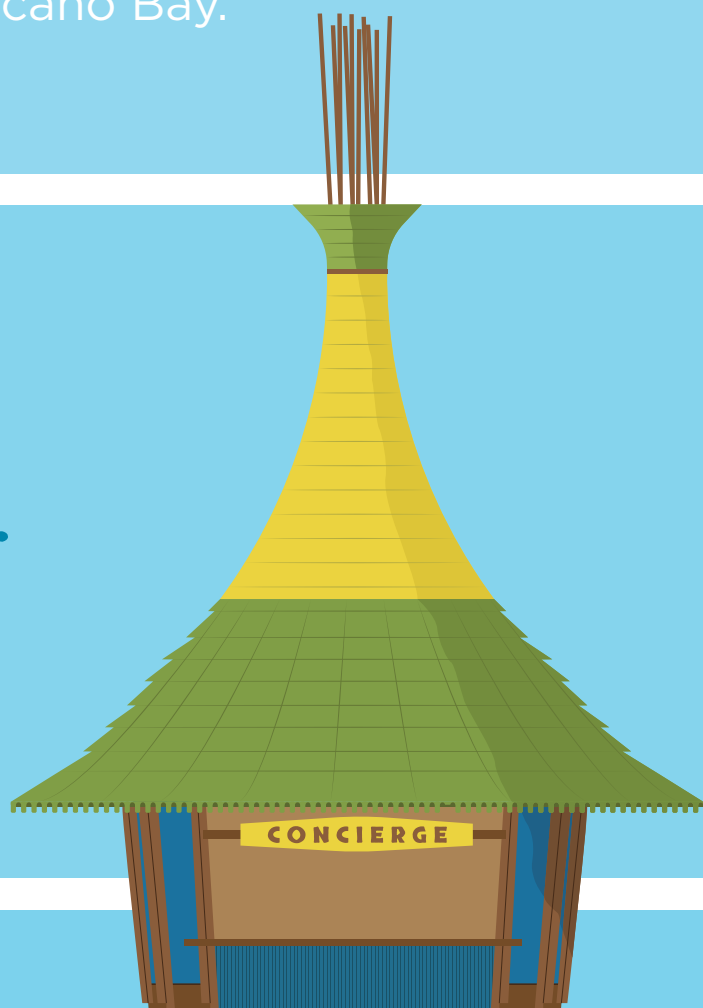

MAKE CASHLESS PURCHASES WITH TAPTU PAY.™

Set up an account on The Official Universal Orlando Resort™ App and you can use your TapuTapu to pay for food and merchandise throughout Volcano Bay.

LOOK FOR CONCIERGE HUTS AROUND THE PARK.

Here you can rent towels, find wait times, ask questions, purchase premium seating and more.

THREE UNIQUE VILLAGES PUT EVERYTHING CLOSE.

The park is divided into the Wave Village, the River Village and the Rainforest Village, each with its own restaurants, showers, lockers and restrooms. **Download the map** and plan your day before you arrive.
